Substitutions:

We make no substitution of varieties unless requested to do so.

We will, when out of a size, substitute the next larger or smaller unless asked not to do so.

Safe Arrival:

We guarantee safe delivery to your post office, but will not ship Eastern orders during December, January and February unless customers assume all liability for freezing. Pacific Coast orders can be shipped at any time.

Bulblets in Packets:

Each packet contains a liberal quantity of bulblets, from 20 to several hundred, depending upon the scarcity of the variety.
